

\$100,000 in Scholarships Awarded to Tennessee Students

TSCPA's Educational & Memorial Foundation recently awarded \$100,000 in scholarships to 107 students from colleges and universities across Tennessee. Over the past 18 years, TSCPA has provided more than \$1.3 million in scholarships to deserving Tennessee accounting students.

TSCPA scholarship award recipients must have completed introductory courses in accounting and/or be students majoring in accounting. Scholarship recipients were selected on the basis of academic achievement, professor recommendation, leadership skills, financial need and previous receipt of a TSCPA scholarship. For more information about TSCPA's scholarship program, contact Connie Rhea at 1-800/762-0272 or crhea@tscpa.com. ■
