

Are you truly ready to pass the CPA Exam? Have you studied enough? Are you focusing on the right material? There's really only one way to find out – give it a try!

You are invited to participate in a virtual mock CPA Exam workshop hosted by the Tennessee Society of CPAs and Surgent CPA Review.

This unique opportunity will allow you to experience what it is like to sit for any CPA Exam section as you immerse yourself in questions pulled from the actual CPA Exam Blueprints. Plus, you will leave the session with your own personalized ReadySCORE™ (an accurate measurement of your actual exam score) as well as a detailed report showing your areas of strength and weakness for that section.

Date: Nov. 10

Time: 1 p.m. central

A Zoom link will be provided before the event.
